**D**uring the 7th Israel-Italy Meeting: Updates in Rheumatology and Autoimmunity held January 2019 in Israel, the invited speakers visited the Padeh Medical Center, Poriya. They attended a seminar at the facility and then visited the Sea of Galilee (Kinneret). This photograph was taken by Y.S. at sunset by the shores of the Sea of Galilee (See the article by Dr. Elias Toubi on page 435 of this issue).
